**ALL proceeds are donated to children's charities in Greece**

Last year, the proceeds from the St. Andrew's Ball went towards a variety of causes: (a) to "KIVOTOS", who care for street children ([www.kivotostoukosmou.org](http://www.kivotostoukosmou.org)), (b) to "CARITAS" who feed hundreds of refugees every day, (c) to the "SHIELD OF DAVID" who care for autistic children of all nationalities and creeds, (d) to "THE WORKSHOP" a centre for young people with mental disabilities ([www.ergastiri.org](http://www.ergastiri.org)) and (e) to "PNOE", founded in 1991 by parents who experienced painful personal tragedies, by paediatricians working in intensive care units and by friends with long experience in voluntary work ([www.pnoe.gr](http://www.pnoe.gr)).

We organize many dancing events all year round. Request that we add you to our mailing list.
